Exhibitions

You are invited to show your work at exhibitions organised by the club in our clubrooms or at other suitable local venues. We issue an entry form to you prior to each exhibition with details of the exhibition rules, dates, and fees to be charged (if any).

There are a few general guidelines you should be aware of:

- You need to have current paid membership to be eligible to enter works in exhibition.
- Paintings submitted must be original works, copies of other artist's work or unsigned work will not be accepted.
- Paintings must be for sale and presented suitable for sale
- To ensure every submitting member is represented, we may limit the number of works displayed due to display constraints.
- Paintings must be dry and suitably mounted, framed to a high standard labelled and strung suitable for hanging.
- All sales are subjected to a commission deduction at the current rate of 15%
- Paintings sold up to one month after the exhibition are still subject to the commission. It is up to you to advise and pay the club treasurer.
- You are responsible for your own insurance. The club does not cover artist's personal property displayed at the exhibitions or stored at the clubrooms.

Social Activities

We hope you have a friendly social life with the club. Openings to exhibitions are held as well as a Christmas get-together. These are designed to help you meet club members who you may not see in the normal course of your art activities.

Display Boards / Notice Board

Please name and date any work you display so they can be returned. Unclaimed unnamed sketches will be destroyed. You are welcome to put up any item of interest to other members on the notice board.

Display of works at clubroom

Members are invited to display their art work at the clubroom. It must be understood that this is done at your own risk as MAS insurance does not cover your art works.

Website and Facebook Policy

Photos taken at workshops and other public events may be put on the website and/or Facebook at the Committee's discretion.

Any photos of individual artists and/or their work needs approval from the artist/s. If you wish to have your profile and/or works displayed on the MAS website or on Facebook, please contact the publicity member.
